The College spends £1 million each year on bursaries, scholarships and awards. A fifth of undergraduates receive bursaries.

“Financial support was essential for pursuing my research in energy efficiency. I had ideas and Caius believed in me. It’s thanks to this research that Cambridge GaN Devices, a start-up creating leading-edge technology, exists!” (Dr Giorgia Longobardi, Research Fellow)

27% of our alumni are part of the donor community: even a small gift makes a difference. Your donation will always count.

You can choose your fund, donating specifically to bursaries, research, teaching, the Tammy Chen Fund and others.
