Deposit

A Deposit is charged at the beginning of each academic year, for up to 3 years. This will be refunded after the student has graduated (or left the College) on the condition they do not owe the college any money. The refund will be made within 6 weeks of graduating after any outstanding charges have been deducted and the account will be closed.

Please ensure the Bursary have an up-to-date non-college email address and your bank details.

Fees

Privately Funded Students will be sent a statement of their fees for the full academic year prior to their arrival. This will be due upon receipt of the statement and payment be received by the College before your arrival.

Funded students will not see fees on their bill as we will bill the fees directly to the funder.

Questions

Please direct any questions you may have regarding your college finances to the Student Accounts Administrator by email: student.accounts@cai.cam.ac.uk.

If you would prefer to speak to someone please email and a convenient time can be arranged for you to call into the office.
